

My Picture

of Carl and Edina  
in the speedboat,

which he flipped.  
Into that river  
In the sky.

Heaven, I mean.

Didn't really see it, but  
that's my picture.  
Mental. Like me!

White hairs flying oh boy!

Old Mrs Dell Denzel claims  
they never married. So?

My own wife: Stone  
Deaf now. Just about,  
leastwise.

Oh well! I repeat  
all the time. Every-  
one here says.

And says!
